Presents:

THE CHIEFTAIN OF 1958

PRINCIPAL'S MESSAGE

Now that your school days at Hillsboro High are drawing to a close, you should pause and review the achievements you have made and the happy days you have spent here in school. You have been a part of the greatest educational process of the world; this you deserved as Americans.

Yet, your education has only begun. You now have the tools and have acquired the abilities to continue to learn during life.

The faculty and student body join me in extending congratulations and best wishes. My wish is that all your days may be happy as school days.

CLASS HISTORY

We, the Senior Class of H. H. S. after the past four years of preparation, are looking forward to a successful life.

We regret that we are leaving the faculty and students whom we have learned to love.

On a wonderful day in August, 1954, 65 happy Freshmen began their experience at Hillsboro. Our officers for that year were Barbara Moss, President; Virgie Sharp, Vice-President; Faye King, Secretary; Bobby Hudgins, Treasurer; Peggy Wilkerson, Reporter. Mrs. Marvin Scales was our sponsor. We had a very enjoyable trip to the park in the spring.

The next year found the 42 of us who had survived in Mr. R. E. Marshall's home room. The following were elected as officers: Fisher Bethshears, President; Benny Lampley, Vice-President; Peggy Wilkerson, Secretary; L. E. McKee, Treasurer; Dorris Jones, Reporter. We enjoyed a day at the park.

We began our Junior year with 14 students on roll, quite a decrease from our Sophomore year. We were separated from our fellow students due to the new school being opened on the 100 highway. Our officers for that year were Billy Joe Caruthers, President; Billy Warren, Vice-President; Farris Martin, Secretary; Faye King, Treasurer. Our play entitled "A Ready Made Family" was a great success. We raised money by selling hot dogs and representing a musical show which enabled us to put on a fine banquet. Our theme was "Moonlight and Roses." We will never forget our class sponsor, Mrs. Julia Anne Morton, who succeeded in keeping us in a gay and co-operative mood. We spent a day at the Montgomery Bell Park.

In 1957 we began our Senior Year at Hillsboro feeling very thrilled at seeing our dream of a lifetime become a reality. We elected the following as officers: Billy Joe Caruthers, President; L. E. McKee, Vice-President; Faye King, Secretary; Cornelia Hughes, Treasurer. Mr. Nathan Sawyer and Mr. Milton Lillard were our sponsors. In September, we proudly held out our hands for everyone to see our rings. At Christmas, our class furnished and decorated the tree. Our Senior play, "Hessie of The Hills" was presented in the spring. We worked selling magazines and concession at basketball games to provide money for the annual senior class trip. The Juniors gave us a nice banquet which we enjoyed very much.

As a result of our class work experiences and school activities, we anticipate a brighter future ahead.

We wish to thank our sponsors, Mr. Milton Lillard and Mr. Nathan Sawyer, and all the teachers who have worked for and with us so much these short years at Hillsboro.

We shall never forget all our good friends at Hillsboro High School.

CLASS PROPHECY

As he sat at his desk in the school office after a hard day of work, our principal, Mr. Lillard, began to muse over the day's happenings. Soon his thoughts were of the seniors of 1958, having worked with them very closely for the past two years.

"I wonder about the future of these young adults," he thought. Almost immediately in thought, he seemed to imagine our future destined:

BILLY JOE CARUTHERS owns and operates a large grocery chain with headquarters in Franklin.

BETTY CRUNK is secretary to the president of an insurance company where she doubles as receptionist.

LEON EDWARDS has joined his brother as a policeman and has designs on the office of county sheriff.

BETTY HARGROVE has done quite well in the WAC'S and commands the respect of all the recruits under her, at a post in Maryland.

BUFORD HARGROVE truck farms and is known throughout the North for his watermelons.

CORNELIA HUGHES has a beauty parlor in Franklin which is a social gathering place for all her friends.

FAYE KING finished her physical education training at Peabody and her Hillsboro girls basketball teams still beat West consistently.

ALICE LUCKETT was victorious on a national TV Essay contest and her earnings provided her a nice floral business.

FARRIS MARTIN is owner of a taxi company which operates helicopter service between Franklin and other local points.

JAMES MARTIN has become a writer of mystery novels, his latest work destined a best seller.

PEGGY MARTIN is an airline hostess and is soon to receive a commendation for her friendliness.

L. E. MCKEE entered the insurance business, and plans an overseas honeymoon soon with his high school girl friend.

HAZEL PEACH and RUTHIE PEWITT received their degree in nursing and room together near Williamson County Hospital where they are head nurses.

BILLY WARREN is an official in a local bank and takes an active part in Civic projects.

"I hope they do well and go far," thought the tired principal. "They have what it takes and I think I'll never be disappointed in them."
