Route 6, Franklin, Tennessee  
Presents:

PRINCIPAL'S MESSAGE TO THE SENIOR CLASS:

As your high school days draw to a close, each of you deserves the good wishes and congratulations of all. Each of you should realize that your education has just begun; that you have been supplied with the tools and experiences in school to prepare you to continue your learning.

Just as in school, life has many honors and awards. There are also many challenges and problems. May you always strive to represent Hillsboro High School well, so that we will always be proud of you.

It has been a pleasure to work with you during the past four years, and to see you grow and make many achievements. The faculty and student body join me in the sincere wish that all your days may be as happy as school days.

## Class History

As our twelfth year rolls by, we the seniors look back over the past and think of all the good times we have had together, as well as the hardships we shared.

In August, 1960, thirty-one freshmen entered the doors of Hillsboro High School. We were scared and excited as all freshmen are, but after the freshman initiation, we began to feel more like members of the family. Leading the way for us that year, we chose as officers: Frances Johnson, President; Bobby McCoy, Vice-President; Jeanetta Russell, Secretary; and Barbara Sweeney, Treasurer. Jeanetta Russell won the citizenship award that year, and for our entertainment, we enjoyed a party at school, with Mr. E. J. Robinson as our sponsor.

Our Sophomore year proved to be even more exciting and rewarding than the previous one. Serving as our officers were Lois Forrest, President; Nancy Cowell, Vice-President; Jeanetta Russell, Secretary; and Ruby Howell, Treasurer. That year, our number dropped to 26 members. Jeanetta Russell received the citizenship award again, and our class enjoyed a hayride and trip to Montgomery Bell Park, with Mr. Edward Greer and Mrs. Grant Dedman as our sponsors.

As we became "upper-classmen," we suddenly realized that we only had one more year, and 26 juniors entered into the year full of steam. We chose for our class officers: Patricia Ryan, President; Pam Logan, Vice-President; Barbara Sweeney, Secretary; and Frances Johnson, Treasurer. Barbara Sweeney and Randall Mahan were chosen to represent the school at Volunteer Girls' and Boys' State, while Randall Mahan and Jeanetta Russell were selected King and Queen at the annual Halloween Carnival. That year, Barbara Sweeney won the Civitan Citizenship Award. The Juniors proudly entertained the Seniors with a banquet, the theme being "King Neptune." The money was raised by putting on our play, entitled "Murdered Alive." We enjoyed a hayride and a trip to Montgomery Bell Park with our sponsors, Mrs. Jerry Flatt and Mr. Robert A. Joines. With the measurements for our rings, our Junior year came to a close.

As we began our last year at H.H.S., we had only 16 seniors. The class elected Barbara Sweeney as President; Jeanetta Russell, Vice-President; Randall Mahan, Secretary; and Pam Logan, Treasurer. Pam Logan was also chosen by the class to be the editor of the school yearbook, THE CHIEFTAIN, with Althia Bates as assistant editor. We also presented our senior play, which was entitled "Bolts and Nuts." The Valedictorian from our class was Barbara Sweeney, with an average of 97.61 for the three and one half years. Salutatorian of the class was Jeanetta Russell, whose average was 92.55, for the same period. This year, we enjoyed another hayride for entertainment, and we were accompanied by Mrs. Wynford R. Peterson and Mr. Milton Lillard, our sponsors.

As we listen to the chorus sing our "Alma Mater," we look down the corridors and remember the places that we laughed, and sometimes cried; where we studied and talked together; where we learned life's lessons and became mature individuals. Within the covers of this book lies the record of our all-important year, 1962-63. We came as individuals to work, learn, and respect our fellow-man. And now, we go out to face the world with that which we have learned.

## Class Prophecy

One Spring day when I felt full of cheer,  
I started to clean the attic clear,  
I ran across the Chieftain Annual of my graduating year.  
As I started thumbing through the pages  
It brought back to my mind Classmates and friends so dear.  
As I sat there with the book in hand  
I fell asleep and dreamed of a land  
Where I saw . . . . .

Wayland Basford sits on a pier  
Fishing with his fishing gear;

Althia Bates works in a place,  
Where she has fun baking cakes;

Barbara Beard is very strange,  
When she went to California -- guess what! It rained;

Lois Forrest is a movie star,  
Tonight she's having dinner with the famous Jack Parr;

Barbara Gilliam is doing fair,  
She's working on marrying another millionaire;

Betty Hendon had very good luck,  
She owns her own place and drives a big truck;

Pam Logan worked on a farm,  
But she had to quit when she broke her arm;

Randall Mahan, who worked at a service station  
Now sells his own gasoline at a brand new space station;

Bobby McCoy was full of joy  
When the doctor said, "You have another boy;"

Jeanetta Russell is married and settled,  
She makes her own soup in a big black kettle;

Barbara Sweeney is a vet,  
She has four dogs that howl at the moon but only one pet;

Paul Tyner runs a diner,  
While Billy Warf washed the china;

Nancy Whidby is doing fair,  
She makes good money selling her hair;

Willard Whidby, a good old chap,  
Has four sweet children taking their naps.
