The Chieftain of 1968

Dedication

Mr. Milton Lillard

We, the Senior Class, would like to dedicate our 1968 Chieftain to our Principal, Mr. Milton Lillard as a token of our appreciation for all the guidance he has given us, in so much as he began his twelve years with us.

Milton Lillard, Principal

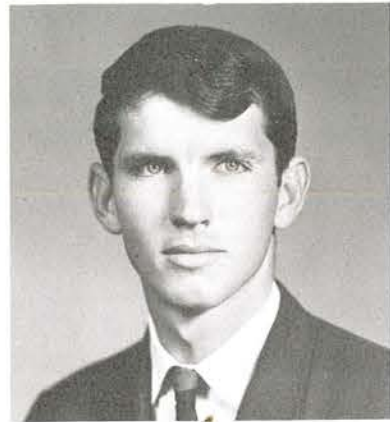

Principal's Message to the Senior Class:

As your high school days draw to a close, each of you deserve the good wishes and congratulations of all. Each of you should realize that your education has just begun; that you have been supplied with the tools and experiences in school to prepare you to continue your learning.

Just as in school, life has many honors and awards. There are also many challenges and problems. May you always strive to represent Hillsboro High School well, so that we will always be proud of you.

It has been a pleasure to work with you during the past four years, and see you grow and make many achievements. The faculty and student body join me in the sincere wish that all your days be as happy as school days.

Senior Class Prophecy

As my school days came to an end,
I began to wonder what would become of my friends.
I started to doze as the clock struck eleven,
My dreams carried me to the year of 1987.

As I traveled through the country side,
I found.....

David and Leon who worked on cars,
Now own the first service station on mars.
Wayne Beard known as "Little Man",
Is now leader of the LFT band.

Patsy and Keith who were always brains,
Studied so much it drove them insane.
Alvin and Terry who could always draw,
Now are cartoonists on Quick Draw McGraw.

Izella and Sandra who loved to dance,
Now own a Go-Go Club in France.
Milton King who is known as "Cuz",
Jumps in his Pontiac and runs from the fuzz.

Ruthie Oliphant who was always shy,
Is now getting all our guys.
Elizabeth Bean who was a King,
Finally got that other ring.

Mike and Billy who were always lazy,
Now are janitors in a home for the crazy.
Tandy Rainey who always jumped high,
Broke a world record and jumped to the sky.

Danny Goodgine who always worked late,
Finally took time to have a date.
Mitsey Marlin who was always quiet,
Is now a dance hall girl at night.

John Edwards who worked at Hill's
Now works at the Credit Bureau collecting bills.
Phyllis and Janice who always ran around,
Finally got married and settled down.
