REACHING OUT

From Our Various Backgrounds . . .

HILLSBORO: "A small community now, but it is progressing rapidly."

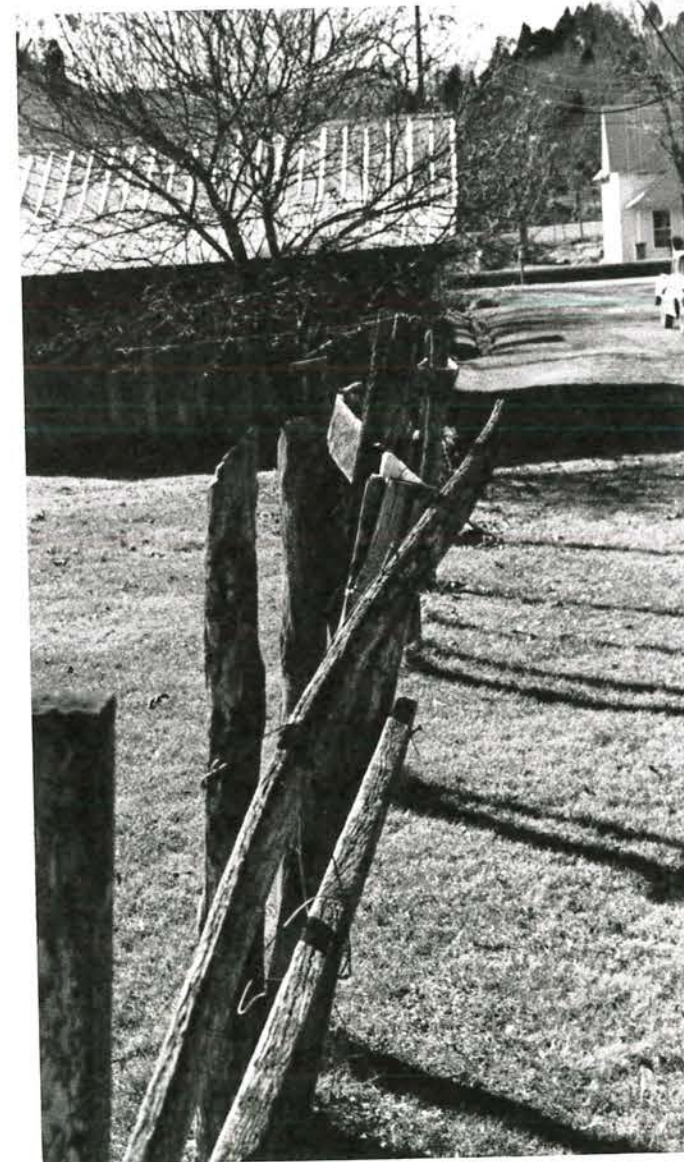

BENDING CHESTNUT: "A quiet community with very respectable people."

BOSTON: "A quiet place where I hope city life never makes it."

FRANKLIN: "Busy, busy, busy. A country town that is growing up."

BURWOOD: "A quiet, country community; a nice place to live."

KINGFIELD: "A neat place in spite of the rumors. Always a party going on somewhere."

... Through Our School ...

"Sometimes it's like a prison----rules, rules, rules."

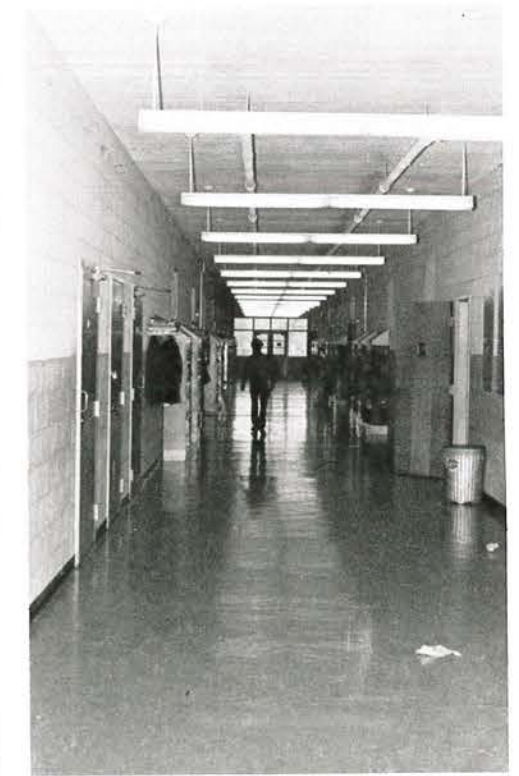

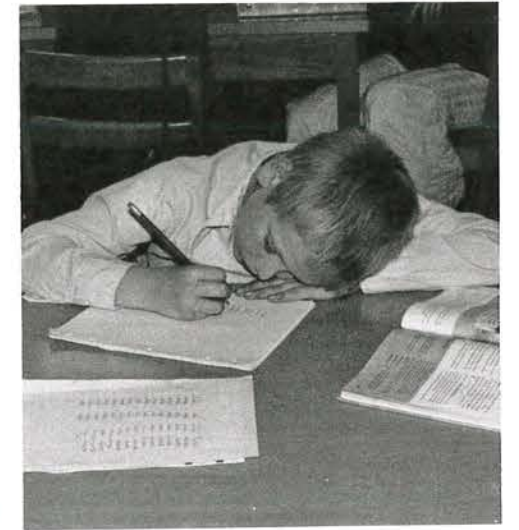

"It could be worse, I guess."

"The kids are all right and so are most of the teachers."

"Hey! I finally made it! I'm a senior!"

"I enjoy being with my friends."

"Teaching here is a real challenge."

... To Our Goals.

"I think I'm going to join the army. A friend of mine is stationed in Germany."

"We're getting married when school is out."

"I never really thought about it."

"Oh, you know, money and a car."

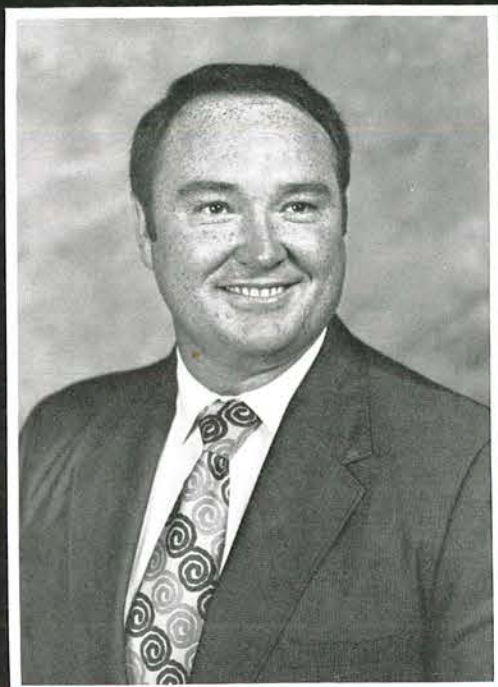

"A college degree. I'd like to be a teacher. No kidding!"

"To be a pro basketball star."

"Man, just to get out of this place!"

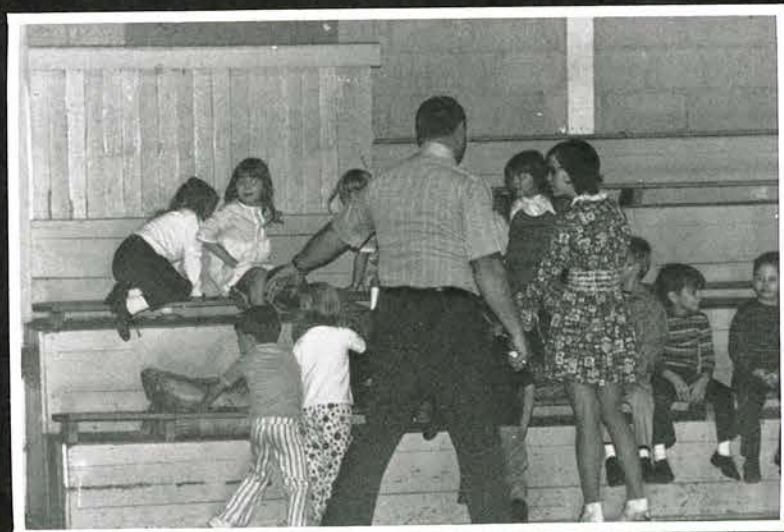

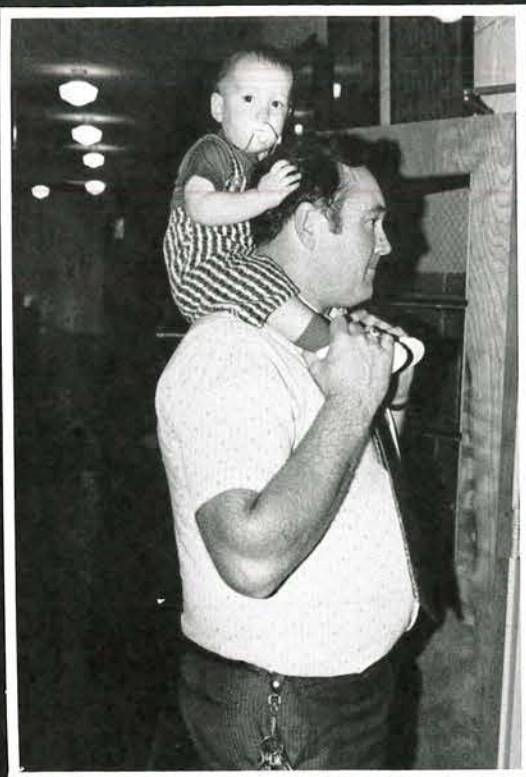

A DEDICATION

The principal of any school carries a heavy burden of responsibility; but the principal of a school which incorporates grades K-12 has special responsibilities. He has to understand the problems which confront elementary and secondary teachers, and he must know how to deal with young children and rapidly maturing young adults.

We feel that probably no other principal in our school system handles his job better than Mr. Gary York. Students and teachers both have found Mr. York to be understanding and demanding. He expects all of his teachers to give their best efforts in educating Hillsboro's students. He expects the students to be fully involved in the educational process, but he also encourages student involvement in extracurricular activities.

Mr. York is totally involved with Hillsboro School, yet he still has time for his family, for his church, and for community service projects.

HOLIDAYS 1973

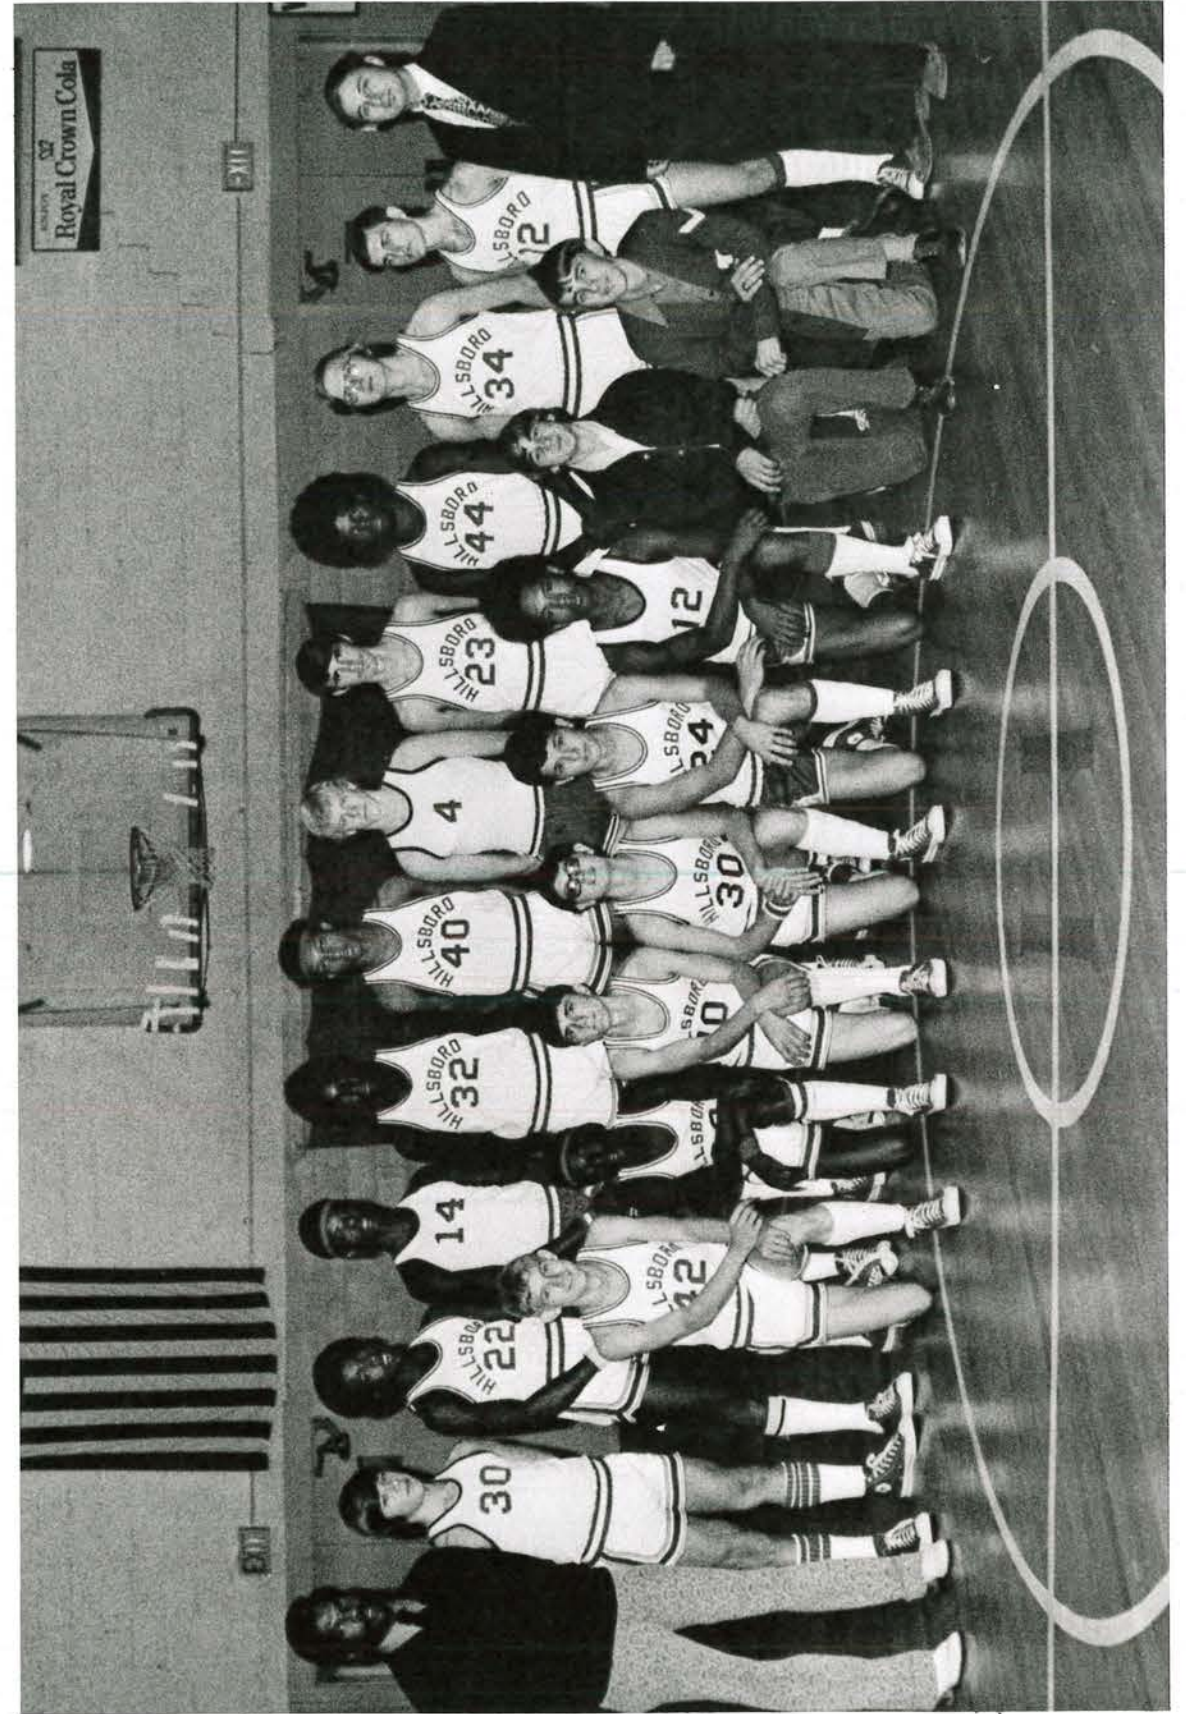

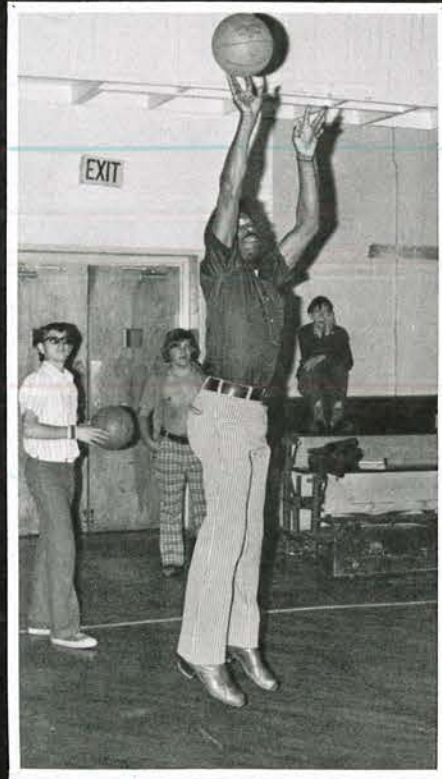

ATHLETICS

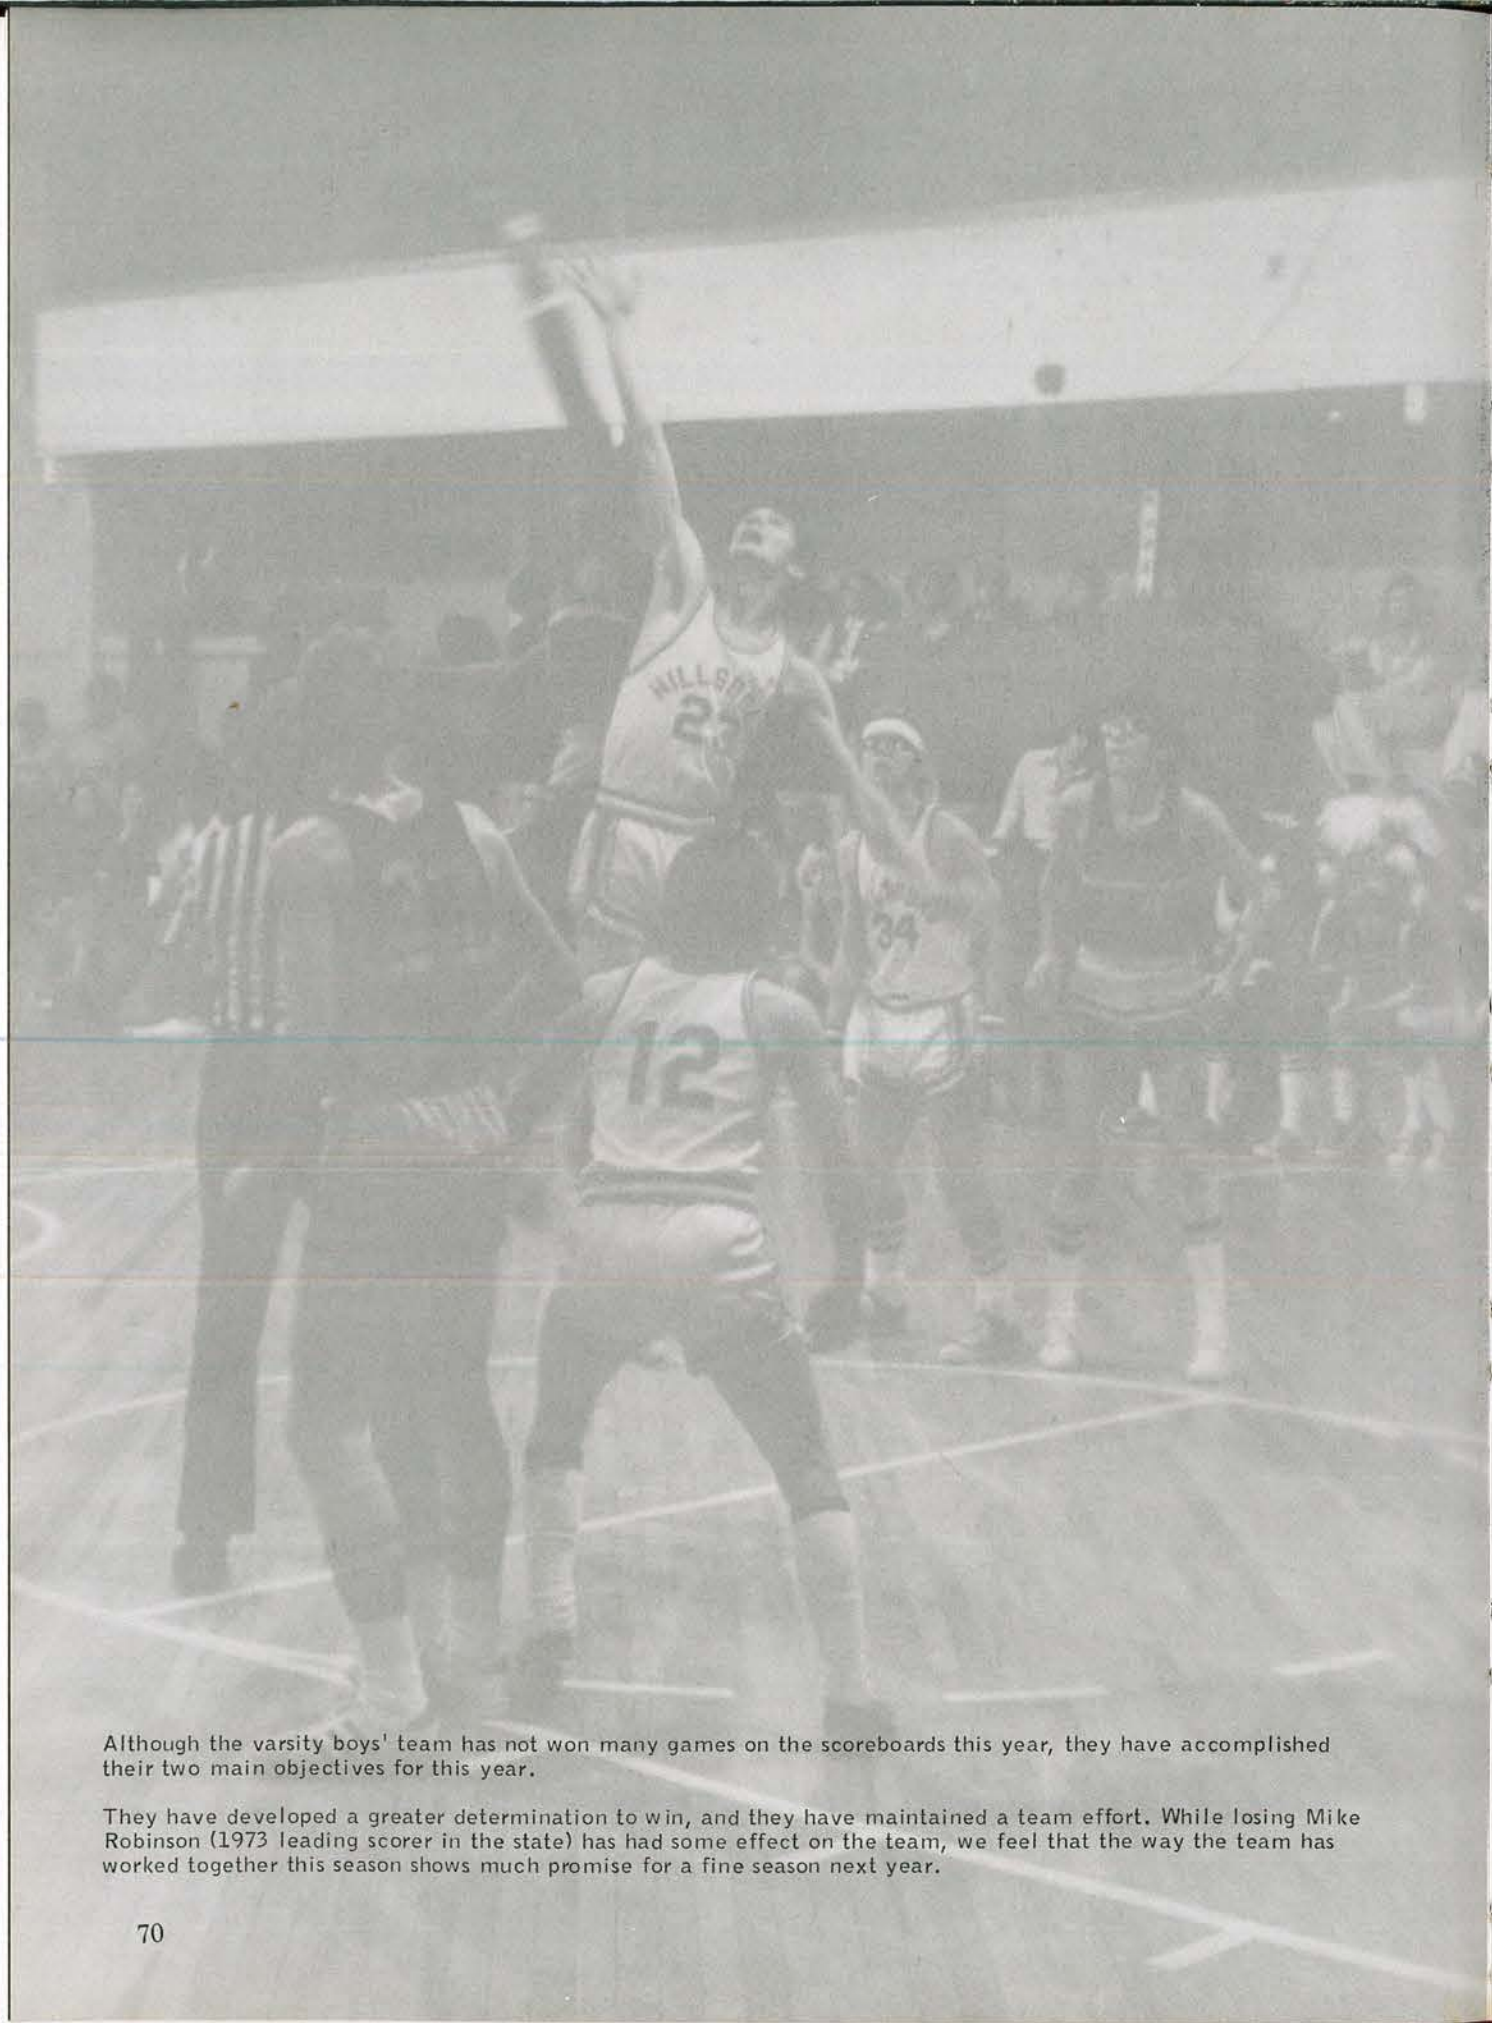

COACHING IS . . .

. . . a big responsibility, and the job requires a big person who is big in mind and heart. Willie Wilson, Jr., is just such a person. Therefore, the yearbook staff proudly dedicates the sports section of this book to him.

Willie Wilson's philosophy of coaching has both a humorous and a serious side. He jokes with the boys on his team and teases them about their girlfriends. But he practices his team to a fine point, and he wants them not to be good but to be the best. To Mr. Wilson, winning is living.

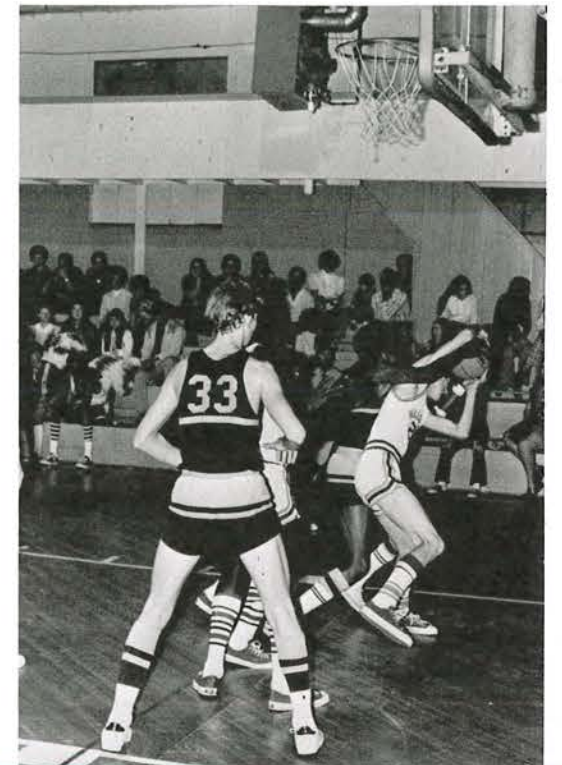

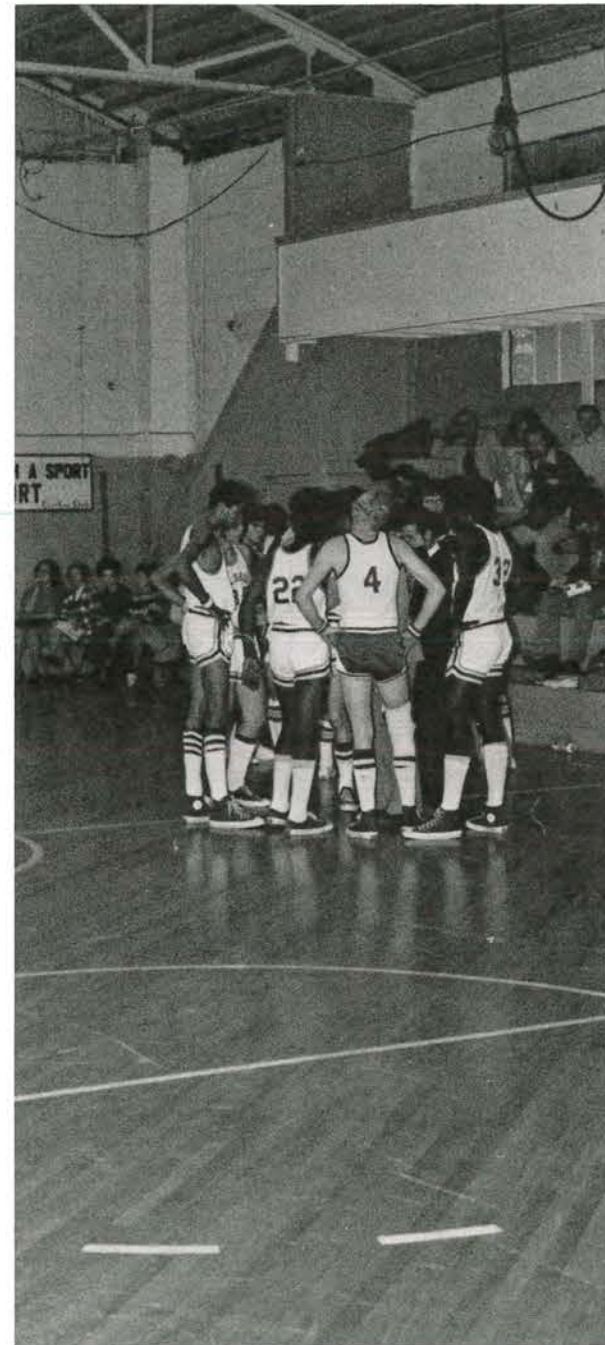

VARSIITY BOYS BASKETBALL TEAM: KNEELING--Tony Carrington, Bell Kinnard, Ronald Davis, Ricky Howell, Steve Capps, Robert Lee, Tommy Edwards, Billy Marlin, STANDING--Coach Willie Wilson, Randy Mealer, Eugene Andrews, Reginald Puckett, Robert Fleming, Wayne Polk, David Hughes, Harry Marlin, Don Nevils, Gilbert Anglin, Donald Davis, Coach Dennis Pate.

Although the varsity boys' team has not won many games on the scoreboards this year, they have accomplished their two main objectives for this year.

They have developed a greater determination to win, and they have maintained a team effort. While losing Mike Robinson (1973 leading scorer in the state) has had some effect on the team, we feel that the way the team has worked together this season shows much promise for a fine season next year.

OUR GUYS

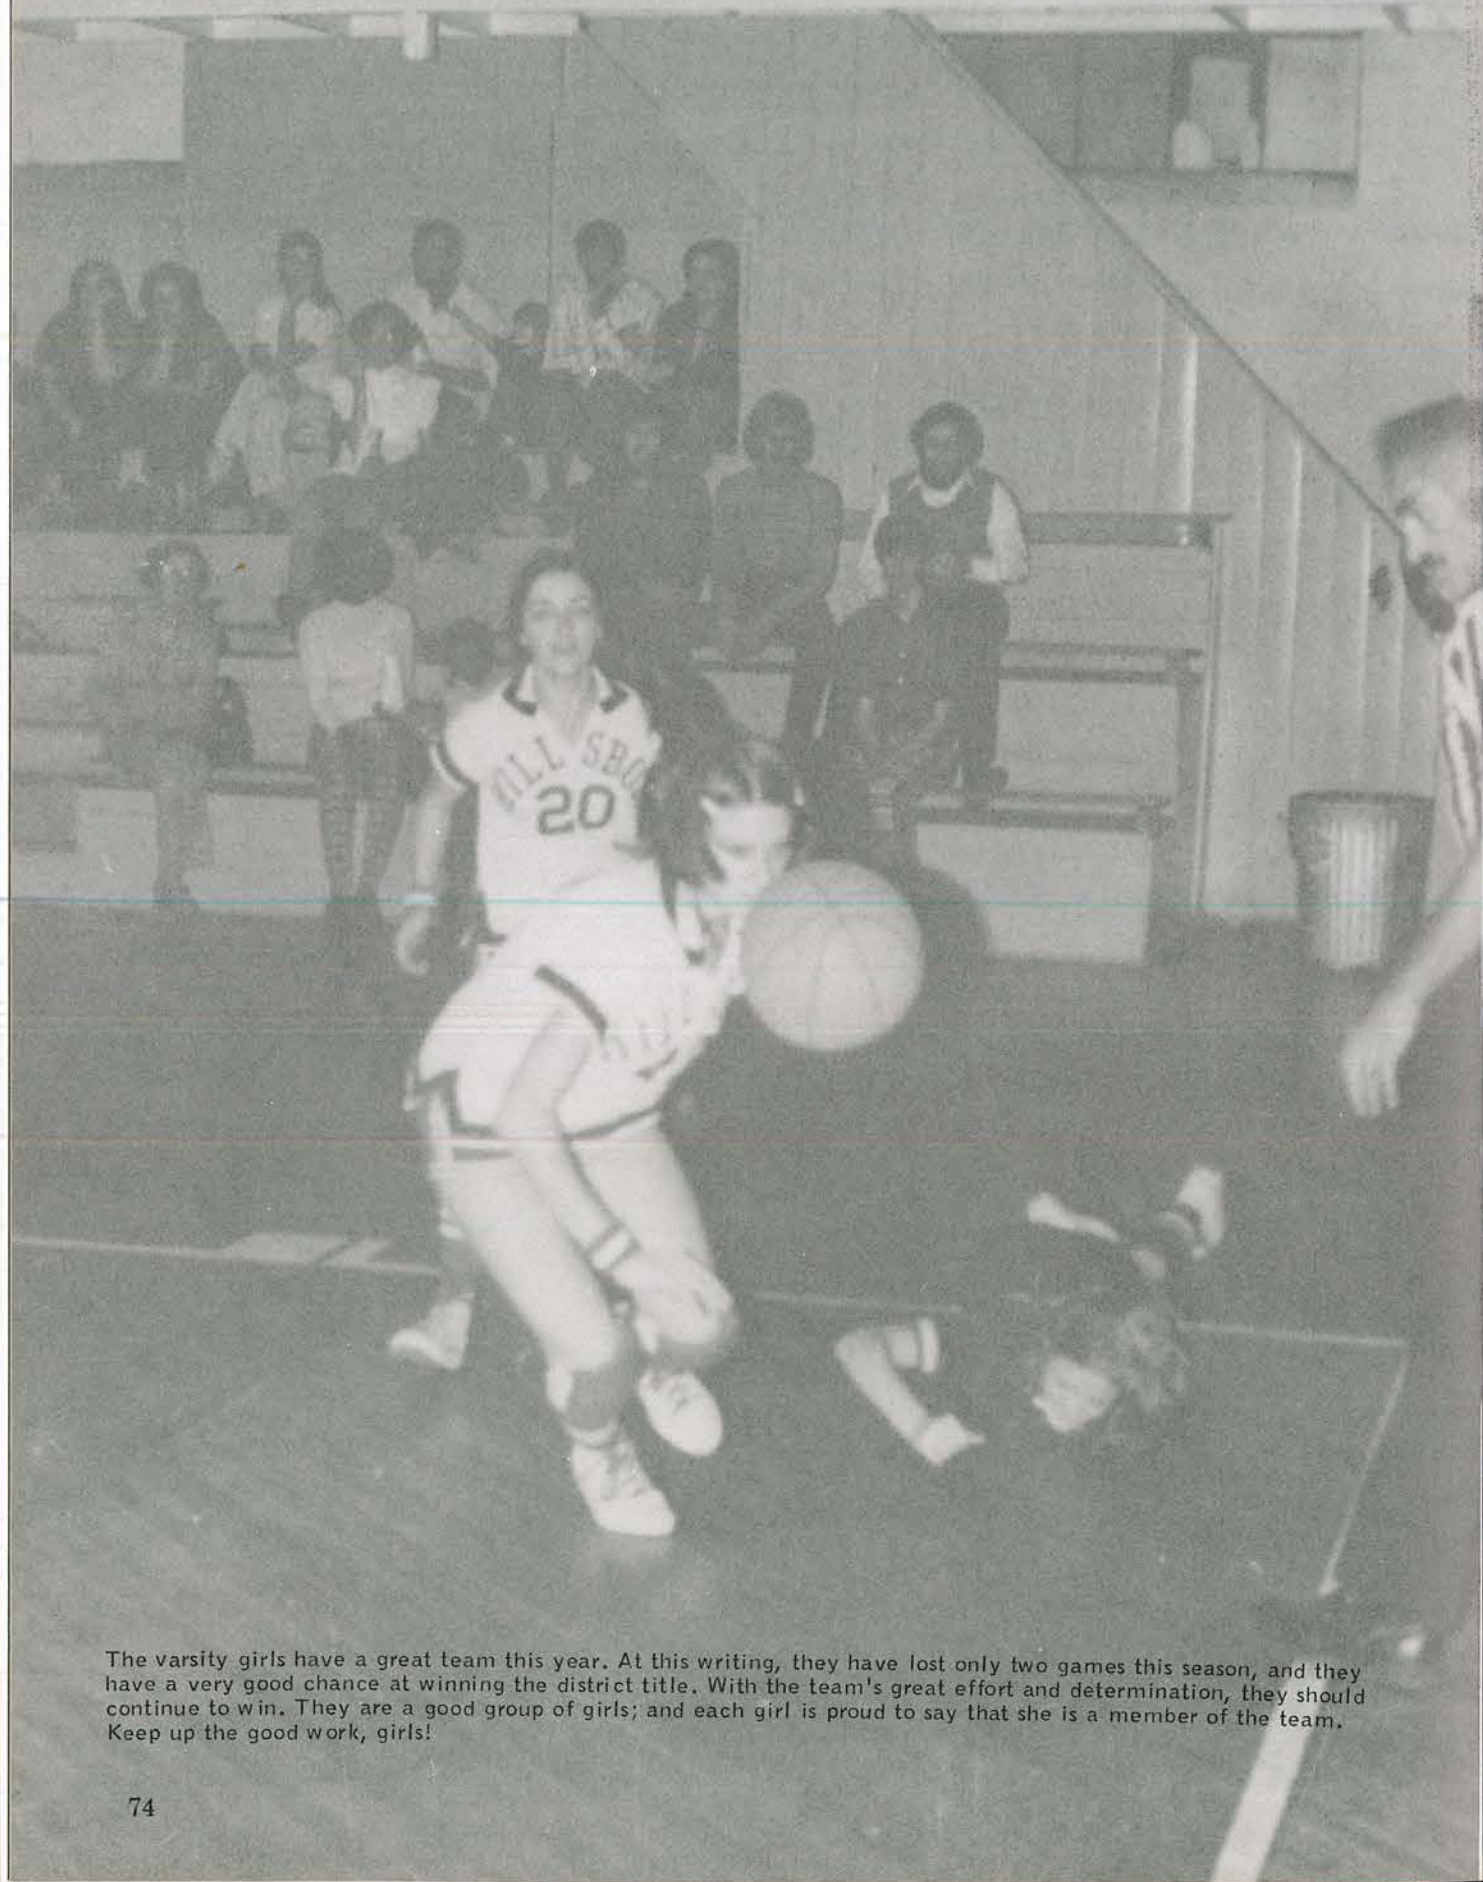

BOYS JUNIOR HIGH BASKETBALL TEAM: 1st ROW--Manager Phillip Howell, David Butler, Thomas Rainey, Calvin Reed, Terry Carrington, David Crafton, Steve Reed, Coach Dennis Pate. 2nd ROW--Kevin Stevens, Ricky Davis, Tim Davis, Kenny Smith, Tim Raines, Charlie Howell.

Junior high basketball is an important part of our sports program at Hillsboro. The nucleus of a good varsity team is formed at the junior high level. Our junior high boys' team has worked hard this year. Mr. Pate feels that they are a good team. And we agree.

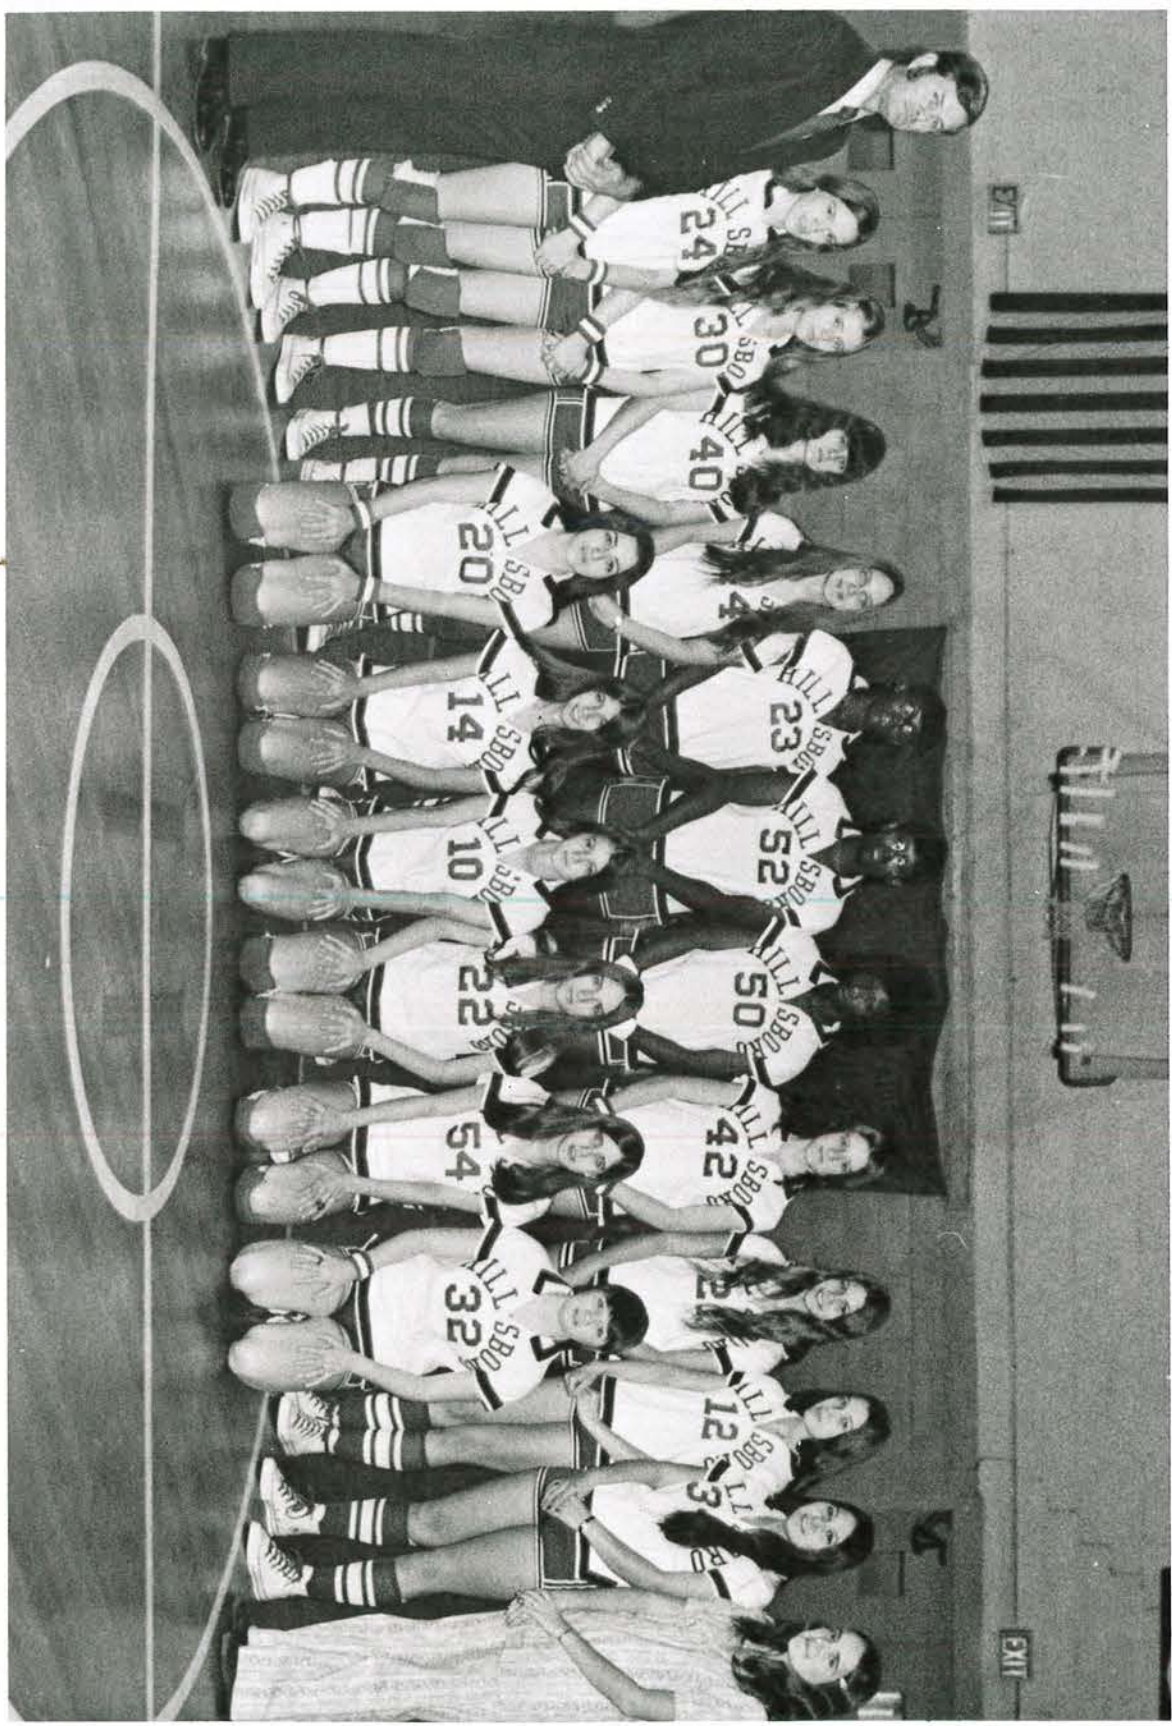

The varsity girls have a great team this year. At this writing, they have lost only two games this season, and they have a very good chance at winning the district title. With the team's great effort and determination, they should continue to win. They are a good group of girls; and each girl is proud to say that she is a member of the team. Keep up the good work, girls!

OUR GALS

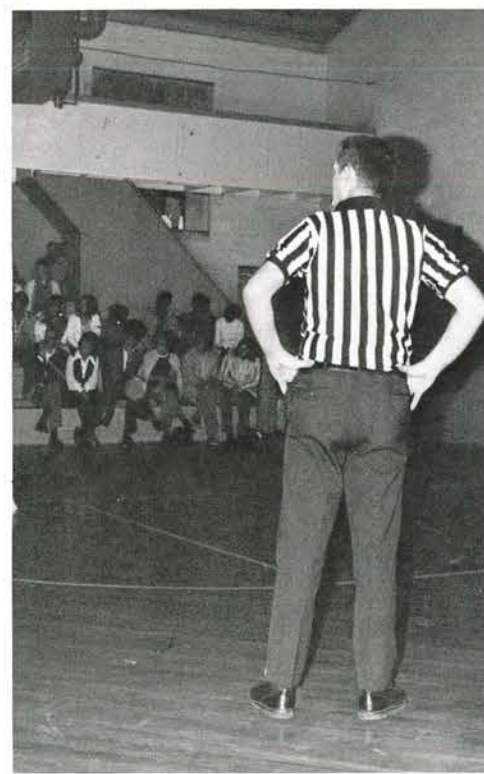

VARSITY GIRLS BASKETBALL TEAM: KNEELING--Donna Griggs, Marsha Anglin, Deborah Logan, Virginia Martin, Jane Rainey, Brenda Poynor, STANDING--Coach Howard Gamble, Beth Anderson, Sandra Sullivan, Karen Stovall, Pam Amos, Patrice Amos, Linda Carothers, Debra Raines, Rita Davis, Sherry Rainey, Snow Osborne, Manager Donna Anderson.

GIRLS JUNIOR HIGH BASKETBALL TEAM: 1st ROW--Coach Howard Gamble, Sandra Logan, Cindy Anderson, Martha Howell, Patricia Lunn, Tammy Goldman, Sherry Dodd, Estella Furlough. 2nd ROW--Debbie Spears, Tammy Ladd, Charlotte Crafton, Cheryl Amos, Cindy Dodd, Pam Binkley, Tammy Wilson.

Our junior high girls team is a group of hard workers. They are enthusiastic about basketball, and Mr. Gamble is enthusiastic about these girls. He feels that they will be a fine varsity team in a few years.
